PROFESSIONAL RESEARCH EXPERIENCE

-
- 2020 – Present **SENIOR RESEARCH ANALYST, Research and Evaluation Center, John Jay College**
Perform research and evaluation duties (develop research design, implement data processing workflows, execute analytic plans, report on findings). Apply a range of analytical approaches, with a focus on quantitative methodologies. Provide technical assistance to government partners and justice agencies, and fulfill ad hoc research and data analysis requests. Lead data operations (processing, storage, management, analytics/modeling, and reporting). *See selected research projects on page 2.*
- 2019 – 2023 **DATA ANALYST, Institute for Justice and Opportunity, John Jay College**
Created cohort-level data visualizations and reports of participants enrolled in various skills-based reentry programming. Generated program-level reports to feed into dashboards for internal staff purposes. Executed data migration and integration into a Salesforce-based platform
- 2018 – 2019 **RESEARCH ANALYST, Research and Evaluation Center, John Jay College**
Conducted exploratory data analyses, performed other statistical duties, and created visualizations in public data repositories to diagnose and assess suitability for a given research question.

FELLOWSHIPS

-
- 2017 – 2018 **RUDIN GRADUATE RESEARCH FELLOW, John Jay College**
Performed statistical and geospatial data operations on crime incidents, 311 complaints, and hospital admissions data. Reviewed and synthesized research literature on evaluating the public safety effects of place-based, community-level interventions
- 2015 – 2016 **TOW FOUNDATION POLICY ADVOCACY FELLOW, Drug Policy Alliance, NYC**
Compassionate Care NY Campaign. Maintained and built grassroots campaign of more than 2000 members. Developed research summaries on medical marijuana for healthcare providers, patients, and industry professionals. Designed surveys for patients and caregivers, analyzed results, assessing implementation of the NYS medical marijuana program. Coordinated meetings with State Assembly members in Albany, convening academics, constituents, and advocates.

Office of Academic Engagement. Developed a database of drug policy researchers and organizations in the U.S. Synthesized literature on drug policy-related research topics, developed translational materials (research summaries) for staff.

2014 – 2015

JOHN JAY VERA FELLOW, Vera Institute of Justice, NYC

Pathways from Prison to Postsecondary Education & Expanding Access to Postsecondary Education in Prison. Created legislative profiles of participating states. Provided technical assistance to states and helped develop logic models and data collection for cost-benefit analysis. Prepared presentation materials for meetings with government, law enforcement, partner organizations, and academics. Supported drafting of college-in-prison implementation guides for correctional administrators and policymakers.

Raise the Age Campaign. Conducted stakeholder assessments and interviewed policymakers and direct service providers. Transcribed findings for diagnostic analysis.

RESEARCH APPOINTMENTS

2016 – 2017

GRADUATE RESEARCH ASSISTANT, John Jay College

Mixed Methods Evaluation of Youth-Police Initiative. Administered surveys and conducted semi-structured interviews with youth and police officers. Performed participant observation of training sessions and transcribed interview recordings for qualitative analysis.

Extremist Crimes Database. Compiled data on suspects, victims, and incidents of domestic extremism from primary and secondary source databases. Followed research protocols and procedures mandated by John Jay, Michigan State, Seattle U., and U. of Arkansas's IRB.

2014 – 2015
